Following his creepy email to me, "Bo" Dincer has continued to blast music at unreasonable volumes and slam his door with excessive force so that my shelves shake (3 AM this morning, cost me hours of sleep). I'm really tired of writing these emails but it seems like no matter how many lawyers talk to him he has no interest in behaving at all.

I am wondering if he smokes in his bathroom and it comes up through the pipes? I smelled it in my bathroom this morning and as well just now.
