Confirm USC Title 18.4, 18.3, 18.3, and under USC 18.225 violated and obstructed a federal investigation of a different variety by the counselors and accessories of 153974\_2020 who obtained a loan from \$6 million from STATE FARM LIFE INSURANCE COMPANY and while on 9/23/2020 obtained another 600 thousand due to their hardships avoided prosecution by keeping me pre-occupied and still carry the interest and burdens transferred to State Farm in Loan 50074, accrued both unlawful and imaginary interest at both HSBC and JP Morgan Chase Bank which is used for overnight lending by and between all banks.

Are those rent receipts matching up with the gross income (that is unlawful) matching the income reported to the NY dept of Finance as well?

In that case also has represented their confessions UNDER USC 18.225 and USC 18.21 as well as other violations of Security Law, namely manipulation of ticker STFGX lost the bulk of its market capitalization on December 21, 2021.

Was this also a communal decision to mark its NAV at \$106? Why not \$107? Or \$101? There is no material change in holdings reported for CIK filer 93715 or 1516523 as this was obstructed by several accessories, counselors, and directors of Sullivan Properties LP.

Continuing Financial Crimes, \$20 million / corp, an \$10 million per individual if you needed cause for obstruction other than the minimum prison sentences implied.

Enjoy that while you consider how quickly problems get resolved for the 55 in an overnight and with my intervention.

Keep my family out of your affairs, and don't threaten them like the voicemail attached here carries a life and potential death sentence. Not sure if State Farm will cover that as a provision of their terms of WHOLE LIFE INSURANCE CARRIERS who are still at risk while you play Marco Polo with the real statutes and laws. Which have statute of limitations.

Voicemail threatening an imaginary case, property and deed, confirmation of participation attached.

Have a good evening Zucker.

Those unlawful rents were used as verification to a USC 18.21 violation under USC 18.225 to obtain a loan for \$6 million dollars, and is a person of interest.

I deal with heavyweight felons internationally, and am invited into the more complex financial projects, on request.

No harm done and love y'all bc you didn't know, this guy is a danger to society, coconuts...

Now you know. And no harm done, plus- I sent his information earlier to the satellite dept.. diff category.

See also: Ferreira.  
This cat is involved in this insider trading scam and is SHOOK, look up that's case file and ask around: not found.

He is a peeping Tom, and the child prodigies as well- are underage.. supported by the counselors below, they need that to boost ego and shit like that while they pick and choose which battles they want to deal with:  
Won't respond to me though, bc I gave the satellite dept all of his information.

I left things amicable with Ferreira, on the clock, and like I said.. they can't find him, and I don't to cal to find him.

- he didn't show up and is missing, per the FBI most wanted.

No harm done, I don't even know if this is even the right precinct this is Yonkers right?

Moved a little quickly there didn't you, but that was August 10TH of 2020. Check the date of execution CF00031.

On August 10th 2020. My apartment was 150 SQFT.. you telling me it's 400\$ a foot +37 \*150 = 5550, sorry. That's \$65,550.00 not the 60,000.00 below.

You selling them for \$60,000?

Then, it would be `3.7MM as valued and paid for in your prior 5 years of taxes, as reported to State Farm realty or whoever it is you needed to borrow \$6 million from...

You could have just asked nicely to inspect my apartment you know... but now it's two years later right? And five years of tax evasion later. That's what happens when you unreasonably harass me, I will work extra hard to find you, no edgars right??? Ricki? You attached to a Edgar, come over here let me go talk to them. Ah? Got em covered right? All of them?? For what though?

I'll get back to you — and will absolutely use the two dollar lawyers recommendation letter as well, the one from the 10th of August in 2020.
