Every communication you send to me brings me a great deal of stress.

Please cease and desist.

p.s. I don't make claims – I report facts.

Don't tell me who I can and can't communicate with either, especially if it's not in your purview.

Miss Laskowitz,

I informed your client of this material information and want no involvement with your personal affairs and dealings with Plaintiffs, and more specifically in their claims as attested to and as referenced in the attachments.

You can accept this as a courtesy and treat this as “time is of the essence”; I don’t want to enjoin myself in any fraudulent behavior or placed in false-light, aiding or abetting, or enjoined in these business dealings which you are privy to.

Have a good evening.

BD.
