#50074, 90849565.

Down the block from the Gateway Electric Group, LLC
– pink slip. That's divine intervention as well.

11TH street and 40th avenue,
in THE BOROUGH OF QUEENS.

NEW YORK STATE SUPREME COURT, CIVIL PART 60.
– NYSCEF MATTER 153974/2020.

Theres a building down the block its tall and grey, it's from around the way and please, don't obstruct the view of Manhattan, is really all I am asking for, and also:

:: Rent regulated starting at \$4 with standard increases and solar, for heated water as well, *** generac??

*** NO, whatever is most expensive and mitigates the possibility of loss of electricity, hot water, and heat.

Those other buildings next to it can wait for your decision as well, however I am not liable if they default on their \$4.00 a month (beginning first THENCE on the date NOTARIZED AND EXECUTED), by the other REITs, who have fantastic rates on "hung-glass" fronts or the regular makes no difference to me.

I forgot which of these publicly traded REIT firms forgot to Act Accordingly, but I will list them and provide the same to my brothers, however am not their keeper, it's unconflicted and a good faith request.

So.

MR. RICHMAN, MR. SEARS, Et. Al.

***** that are NOT in a FEDERAL PENETENTUARY OR DETENTION CENTER after participating in NYSCEF 153974_2020.

*****& I need a legal opinion, and you're excuse to NOT represent your own is not selling anyone, even if you wrote it in your prospectus.

So my question is not can we, my question is HOW MANY of those do we need to build for them, in the event they ask and want that.... with those 260-YEAR leases with standard rent regulated increases, BUT if they started disadvantaged economically. HF-rates do not apply either in all fairness, your Honor, so we can start year one at four dollars, and increase them just like everyone else.

– I'll come and check on that construct in about 2 years.

No look either, and I want no recognition, or my name I'll leave them with a letter signed, and some other papers they will need to grant those Assurances you failed to mitigate in NYSCEF 153974_2020.

>> go petition in the NYC TAX DEPARTMENT FOR THEM.
