2. Omissions held at the new Investment Advisor are tucked from the public eye, absent of their Principals in the earlier fund, which DECIDED TO NO LONGER EXIST.  
3. The premiums and interest paid by the Sullivan Properties LP to State Farm are unresolvable with respect to the property they guarantee, as the fee guarantees are an assurance in the Loan 1 annexed in the matter of 153974/2020 which was in a NY Supreme Court so we have a failure by all members of State Farm VP Management Corp, who executed and Notarized the Loan 50074.  
4. OBSTRUCTION - I requested to amend the CAPTION to include all material parties, notwithstanding the ENTITY in the scope of this Loan 50074, having NOT informed themselves in the event of an issue of insolvency, where nonpayment would be impossible.  
5. DIRECTOR STATE EXPOSURE - 10 years of revenue reports and income growth in income generated an automatic PROPERTY VALUE ASSESSMENT (NOTIFY) by the NY Dept. of Taxation, which was paid quarterly and for the last 15 years. The penalties, compounded interest, and for 10-YEARS is approximately \$50,000,000.00; and was calculated on the basis of the property taxes reported and paid as promulgated by the NY Dept of Finance and Taxation, is so not authorized to conduct in  
6. Criminal PROSECUTION - ADVISORS with INTENT is understood as seen in the proceedings and NY tax records for all properties, which have reported yet double digit gains in the estimates and also the receipts for the buildings to obtain a \$6,000,000.00 (six million dollar loss) collateralized by those assets and guaranteed in letter of credit from State Farm, issued those monies to the SULLIVAN PROPERTIES LP and the NOTE 50074 was secured by the unlawful fees, rents, and loss

Bonds, Stocks, and other derivatives more likely than not were used to their advantage in addition to the premiums received by MORGAN STANLEY, and at the specific of certain obligations to the State Farm Assurances Funds Trust also obtained payments to "better promote the quality of information," and without consideration of the implications to aiding and abetting to the fees avoided by the Sullivan Properties LP, as referenced hereunder, which also poses a huge threat to the cur  
9. 11-10-2022 Annual Report rendered 1/10/2022. These and later Notices for the closing prices ending on 10-31-2022 under the new Advisor is now "Not Covered" for the Omissions and losses registered, whereby the Compliance officer has not DISCLOSED the Loans, legal proceedings, and compensated the C-18 Brokers - despite having knowledge of Loan 50074 in the matter of New York Supreme 133974/2020.  
10. I discovered and annexed upon discovery of no Certificate of Coverage these risks in June of 2020 and for several buildings owned and controlled by the recipient of the cash for Loan 50074, which was controlled by its FIDELITY under the blanket of the STFX 40-170 indenture.  
11. The last and final report by the CR 93715 in 11-20-2021 as ASSETS transferred to the new Advisor [11-1], but these monies are accounted for each tick and using the link below.  
12. AUDIT FEE - Under the insurance and loss of liability in the prior, with "Not Covered" monies paid \$6,000,000.00. The accounting with Pricewaterhouse as their sole accounting firm, however did check off a box to set aside certain expenses for the future and in the new umbrella, which was increased from \$25,000 to \$50,000 however is not covered given the total assets under management which accepts a minimum investments at \$250.00 and in \$50.00 increments, and paid \$170,000.  
13. UNFAIR DEALING - Morgan Stanley accounted NY payments in FY2020, FY2021, and in 2020 accounted a partial payment for the interim period and in their fiduciary roles permitted for other to erign without any notice of disclosure both to the other "Brokers" under C.18 and to the investors who suffered losses at the ORISS NEGOTIANCE also may have also taken advantage of the innocent losses, with prior knowledge of the material and substance of the Loans, pending legal ac
