It's Bo Dincer, of Maritime — ref.: Aaron Woodsons. You don't need to dmarq my domains — you kidding me?

You check the emails and fax on Northmarq, the **ZUCKERS (101 west 55TH street, NY, NY,10019)** the **Elser Dicker firm (150 East 42nd street, NY, NY, 10017)** and State Farm's HQ in Bloomington, Illinois in August of 2020.

##61710##. you're checking me for credibility...
Or double checking I own the domain?

Attached... for your review.

That is an illegal purport of value in the transfer of assets worth \$0.00 to State Farm in 2020 — you can't legally collect rent, security, and esteem to 6000 leases that are in good order — ex-post harassment of my life either Miss Zucker...

ask Aaron if that farm... the Lloyds branch in Texas — probably got a plea to get a ruling in another state if I had to guess... but then again.. I am wrong 5% of the time, and that is audited as well... *** while dully registered with FINRA and the SEC... willfully.

##1. I have other indexed bookshelves, so just ask me next time. I have nothing to hide you understand, just don't like getting videotaped, photographed and chronicled without consent while I am butt naked, posted on the radiator. Stuff like that you know.

Have a good evening, please don't do that again, Ashoka — TY.

No certificate of occupancy = illegal income deposited at the US institutions — namely JP Morgan Chase Bank.

No disclosure by State Farm either, in 2020 or 2021 — check the dockets.

In 2015, State Farm was fined for a failure to report the underlying assets and charging unreasonable

rates for the properties held... As purported in the Semi and Year end reports and in the public domain by State Farm— were not disclosed (at all) to the public, or it's investors.

That would be an illegal transfer of assets worth \$0.00 to State Farm in 2020 — you can't legally collect rent, security, and esteem to 6000 leases that are in good order ex-post harassment of my life either Miss Zucker...

Respectfully,
