THEY VIDEOTAPE CHILDREN AS WELL... 100% VERIFIED.

*** ** DONALD ZUCKER *** **

**THEY OWNED AND ADMITTED TO PICTURES OF ME BANGING ON THE RADIATOR... ???
HAVING LEARNED THIS, I WOULD HAVE TO ASSUME THEY HAVE MY DIRECT LINE I AM CERTAIN.
- but my public line is: 281-330-8004, for the ZUCKERS**

plus, the Zucker's, notwithstanding the entities they own and control, encompass the NEXUS of its:
Members, Providers, Affiliates, Agents, Officers, Directors, Volunteers, Employees, Contractors, and Principals... collectively as the ZUCKERS.

These ZZZZZUCKERS owned the apartment where in the former, I was a resident and a defendant...

see also: "QUASH", as stated in the words of your own NEXUS in her email [non-inclusive on this chain] email strapped-on here for you.

32. At approximately 12:20 pm on April 21, 2020, a resident heard Defendant on a floor of the building above that where his Premises is. There was music blasting from his apartment but the resident heard him come upstairs. The resident later found a blue paper face mask draped on the stairs up to the 4th floor of the Building.

33. On April 27, 2020, Defendant had the door to his apartment wide open while another resident was taking out their trash out and the resident could smell that his apartment stunk from cigarette smoke even though the Building is a non-smoking Building. Defendant then started banging on the radiator.

Watched me dance, all night, all day and The Zucker family REFUSES to return many SEX TAPES as well.
- The still photographs, and the more intimate motor***** have not been returned either... The one's from the God hour.

Curious, please I do apologize but I have a different and more serious question though...

- Did they also videotape me through the window banging on the radiator from the front also?

- Or did they watch me only from the behind through a peep hole in my door... because I forgot the day, not even sure it was April 27TH... are they positive it was the 27TH, I feel like it was the 10TH - precinct?

- I appreciate the "suggestion" to deal with your paralegal - but to be honest - I don't even know what that is...
Ask the real estate Expert over there she'll tell you.... the Clerk was no good either, but I handled that... and a few of the NYPD as well

No need for concern. Just wanted to make sure you were not working together with the other ZUCKERS / YUZERS / etc..

Thank you for the information on the public domain and your webpages...

- but I have a separate matter I will bring to the fore.
