21. At approximately 12:20 pm on April 21, 2020 I heard Defendant creeping around the Building. There was music blasting from his apartment but I also heard him come upstairs. I later found a blue paper face mask draped on the stairs up to the 4<sup>th</sup> floor of the Building.

22. On April 27, 2020, Defendant had the door to his apartment wide open while I was taking my trash out – his apartment stunk of cigarette smoke even though this is a non-smoking Building. He then started banging on the radiator and I wondered if he was going to flood the building again.
