I ALSO PROVIDED TO MISS DOUGHERTY & HER COUNSELORS AS WELL...  
-SO LET ME KNOW IF THOSE CEN ARE NOT REFLECTING THE DOCKET, AND LOSSES FOR THE \$9000.00 AUDIT AS WELL FOR \$170,000.00 PAID IN POSTAGE.

1. UNREGISTERED SECURITY and a FIDELITY of State Farm Assurance Funds Trust, under its Principals is ANNEXED in NYSECF Petition 153974/2020, as is the State Farm Assurance Funds Trust but is not disclosed under 8.14 had been omitted in the new IA, ADVISERS INVESTMENT TRUST as well.
2. Citations laid at the new Investment Adviser are located from the public eye, absent of their Promises in the earlier Fund, which DISCLOSED TO NO LONGER EXIST.
3. DISCLOSURE. I requested to amend the CAPTION to include all material parties, substantiating the ENTITY in the scope of this Loan 50074, having NOT indemnified themselves in the event of an issue of insolvency, where reimbursement would be impossible.
4. DIVIDEND RISK AND INTEREST. The payment of dividends to the holders of the Loan 50074 is not guaranteed, and the loan payments are an insurance in the Loan 1 entered in the matter of 153974/2020 which was a NY Supreme Court so we have a future by all members of State Farm VP Management Corp, who executed and Notarized the Loan 50074.
5. CRIMINAL PROSECUTION. FRAUDS AND DEFT is understood as seen in the proceedings and NY tax records for all parties, which have reported 10Y double digit gains in the estimates and also the receipts for the buildings to obtain a \$6,000,000.00 (six million dollar loan) collateralized by those assets and guaranteed in letter of credit from State Farm, issued those monies to the SULLIVAN PROPERTIES LP and the NOTE 50074 was secured by the unlawful fees, rents, and is the loans now under the management.
6. As far as the opportunity cost for the monies that were invested in the proceeds of the money into a safer and similar holding company like Bank of America, without having to take advantage of the underlying information and holdings which are reported by Mr. Monk and without and Level 3 exposure, who works with Mr. Harbert at STATE FARM VP MANAGEMENT CORP as its Principal at the State Farm Assurance Funds in the prior, Illinois, Stock, and several other documents that were filed in June of 2020 and for several buildings owned and operated by the recipient of the cash for Loan 50074, which was created by State Farm, and located in one State Farm Plaza was also Notarized by its FIDELITY under the Bank of the SFTX as 17G underwritten.
7. The last and final report by the CEN 153974 is 11-30-2021 as ASSETS transferred to the new Adviser 1511, I had those monies as accounted for each ticker and using the 17G below.
8. ADVISER FEES. In the prior, only "Not Covered" fees paid \$6,000.00 17G below Accounting Firm, however did check off a box to set aside certain expenses for the future and in the new entity, which was increased from \$35,000 to \$50,000 however is not covered given the total assets under management which include a minimum investments at \$250.00 and is \$50.00 increments, and paid \$170,000.
9. UNFAIR DEALINGS. Morgan Stanley accounted 70% payments in FY2020, FY2021, and in 2020 accounted a partial payment for the interim period and in their fiduciary rules permitted for other to enjoy without any notice of disclosure both to the other "Brokers" under C.18 and to the investors who suffered losses at the GR255 NEGLIGENCE and also may have also taken advantage of the innocent loans, with prior knowledge of the material and substance of the Loan, pending legal action.
