**\*\*\*CEASE AND DESIST\*\*\***

Why on earth would you compel me to remove a ventilator from the window?

Are you aware of the field-day counsel is having with this matter?

Please feel free to peruse the case information, I uploaded photographs of everything and submitted the recordings which come from above. Your accountants have submitted their legal invoices and damages in my rent bills; which inadvertently were paid.

I mean you and yours no harm – but this is a serious breach of my privacy and below is a simple image of how something as innocent as a ventilator is “deemed” a disturbance or “speaker”.

**\*\*\*Please remove that camera that stares through my window immediately, I have repeatedly requested such from the superintendent, porter, and counsel and to no avail.\*\*\***

Respectfully,

/s/ **Baris Dincer.**
